1. Grab n’ Go concepts are great for remote, emergency and summer feeding, and suppers too.
2. Charleston School District offers fresh fruit to entice kids to eat more of the rainbow.
3. Tullahoma rolled out bento boxes first at high schools, then right-sized it for K-8, who love them.
4. Kittery School District likes to have fun. Bright cereal + fresh fruit are great sidekicks to a nutritious hard-boiled egg.
5. Trenton Special School District tried our original protein kits, and middle schoolers love it!
